Measure, Appointment or  
Topic: SB1599

I'm asking that a majority VOTE NO on SB 1599. We, the voters did not ask for SB 1599. Instead of you spending your time working against the voters you should spend your time reallocating funds to take care of our roads. There is plenty of money to take care of the state's essential needs just allocate it wisely. You can drop vanity programs like your "green agenda" which even Bill Gates now admits is a boondoggle.

Do the right thing and vote no on SB 1599!
