2026-302
Measure, Appointment or
Topic: SB1599

I have to say I have never seen this kind of attempt to stop the vote of the people. Democrats pride themselves on being for the people but this attempt to place the referendum in a smaller election is really unbelievable. The people said when they signed the petition that they wanted the vote held at the next general election not a primary which will pervert the election in hope it will fail. Do not allow this to happen it will give a bad name to all democrats.
