Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or Topic: SB1599

Committee members,

As a petition signer, I was under the impression that this vote would be on the November ballot. This bill to move the petition vote takes away our voice, which I feel has been overwhelmingly ignored by our Legislature during this entire process. Please stop putting the one-sided Oregon Legislature's agenda ahead of Oregonians who are begging to be heard.

Thank you,
