The people have spoken. We oppose new taxes. Moving this vote to another election is against the constitution of Oregon, and against the will of the people.

I'm on a limited budget, and it will be getting worse in April. Unless Oregon wants more homeless the taxes need to stop. Oregonians know this, politicians know this - why you keep trying underhanded tricks to suck every spare penny from our wallets is beyond me. Oregon is #29 when you look at the number of residents each government employee services, and is 42 in the Budget burden per resident. It's time that Oregon get's efficient, stops spending (especially \$\$75,000 for a zoo party) and let's their residents prosper. Do not move this vote!
