I strongly oppose this bill. Don't disenfranchise the voters, especially the Non-Affiliated Voters who don't typically vote in May since Oregon is a Closed Primary state. The average turnout for Non-Affiliated Voters for May elections in Oregon is only 15%. Don't tune out the voices of the LARGEST class of voters in Oregon: the Non-Affiliated.

Let the People's voices be heard this November when the majority of Oregonians vote.
