Measure, Appointment or Topic:	SB1599

Being one of the 250,000 signers of the Petition to submit Referendum 26-302 to the voters on the November 2026 ballot, I will remember those politicians involved in SB1599. I am appalled at the political maneuvering being done by the Democratic majority, as the puppets for Gov. Tina Kotec, to work to circumvent the intentions of the voters of the State of Oregon to make their will be known on the ever growing tax burden put upon them by the Legislature.
