Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

When I signed the petition in opposition to the tax increase that was passed, the form stated the vote on the bill would be on the Nov. 2026 general election. It is my opinion that the democrat politicians in the Oregon house are trying to move the vote up to a March 2026 election to keep it from interfering with those elected officials' elections in Nov.

The petition clearly states the vote to be in Nov.; this needs to stand. We, the people of Oregon, will not forget the deceit shown by those in the Oregon house to change what we the people have voiced their opinion for. Stand down democrats and let the process play out as set by the petition.
