On Behalf Of:
Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

Senate President Wagner, Speaker of the House Fahey, Committee Members:

My name is Rebecca Roofener, and I live and work in Oregon. I contributed my signature to successfully refer these taxes to the ballot.

I am writing to strongly urge you to vote NO on SB 1599.

SB 1599 is a political attempt to change Oregon's election timeline. More than 250,000 Oregonians signed petitions with the clear expectation that this measure would appear on the November 3, 2026 General Election ballot, as explicitly stated on the signature sheets.

Changing the date now is unfair and disenfranchises hundreds of thousands of Oregon voters. The Legislature already had the opportunity to address this issue and chose not to do so.

Please do the right thing and respect the will of Oregon voters.

Vote NO on SB 1599.

Sincerely,

Rebecca Roofener
