Topic: SB1599

We gathered signatures to have Oregonians vote on additional taxes in the November election - NOT May. Playing politics by trying to find a way to move it to May would be against the wishes of us who signed the petition AND you would be acting in bad faith. Please stop trying to find a way to work around the will of voters. You are supposed to represent us, not the governor. If you do the right thing, it will be remembered at election time for each of you. Sincerely, S. Hilton
