Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or SB1599  
Topic:

Once again, an attempt is being made to take advantage of the voters by moving the referendum to a time when turnout is lower, in hopes of surviving the deafening roar of the people on this issue. Please vote NO on SB 1599, the bill moving the referendum to the primary election.
