Measure, Appointment or
Topic: SB1599

I believe it is your duty as representatives and senators to honor the petition signed by Oregonians and keep this measure on the November ballot.

Anything else seems deceitful and like you are intentionally hoping less people turn out in May.

Or by the November election, is it more likely that our voter rolls will be cleaned up and the hundreds of thousands of ineligible voters's names will be removed?

Integrity counts. Please leave this measure on the November ballot.
