

Submitter:	Todd Brown
On Behalf Of:	SB1599
Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

My name is Todd Brown,

My family & I reside in Bend, Oregon and this testimony is meant to urge the special session of Oregon's legislative body to "Vote No" on moving the "Referendum petition 2026-302" to the primary election on May 19th. We the people of Oregon signed the Referendum in good faith, in order for the voters of our state to have a fair vote in the November 2026 general midterm election. To move the vote to the May Primary would be dishonest & blatant disrespect to those you represent, as it is common knowledge that voter turnout is historically low in primaries.

"Please, do the right thing and HONOR OUR WISHES to Have a FAIR & HONEST VOTE in November, as the voters intended!"

Thank You so much for your service to all Oregonians,
Todd A. Brown
