Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

To Whom It May concern:

Please vote no on SB 1599. There is no reason to move the vote on this referendum to the May ballot. To get a true vote count, it should be on the November Ballot, when the most people vote. The fact that so many signatures were gathered in such a short period of time is evidence of the feelings of the majority of citizens.
