Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

I oppose SB1599.

This bill is unnecessary and circumvents the rights of more than 250,000 Oregonians who signed the referendum petition to repeal transportation tax hikes.

The Secretary of State approved the language of this measure, which clearly states that the referendum will appear on the November General Election Ballot – not the May Primary Ballot.

Make Oregon better by forcing ODOT to live within their budget.

Make the Oregon Legislature better by listening to the people you represent.
