

1. NO ONE SHOULD HAVE UNCHECKED AUTHORITY REGARDING OTHER PEOPLES HEALTH DECISIONS.
2. MANDATES DO NOT BELONG IN HEALTH GUIDELINES.
3. FORCED COMPLIANCE IS UN-AMERICAN – SOUNDS LIKE NAZIS OR RUSSIA.
4. FORCED TAXPAYER FUNDING FOR ITEMS WE HAVE NO CONTROL OVER IS WRONG.
5. MANDATES THAT OVER-RIDE MD AND INDIVIDUAL HEALTH CONCERNS ARE DANGEROUS AND WRONG.

ARE WE MOVING TO A POLICE STATE? WHO IS BEHIND THESE MANDATES? SOUNDS LIKE BIG-PHARMA IS TRYING TO POISON US AND TAKE ALL OUR MONEY. THEY MUST BE STOPPED.
