Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or SB1599  
Topic:

Oregon's cost of living is 10% higher than the national average. Representative Elmer does not believe now is the time to burden Oregonians with more taxes. With over 6,500 pieces of testimony submitted just in the September Special Session held last fall, Representative Elmer stands with the 93% of Oregonians who opposed this package then, and the over 250,000 voters who signed the referendum petition to make sure they could officially register their vote on these policies. On each of those referendum petitions, it said, "I am an active Oregon voter and request this petition be placed on the ballot for approval or rejection at the election listed."

Thank you
