On Behalf Of:

Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

Please do not move the Petition Referendum 2026-302 to a May election. This is a blatant attempt to thwart the will of Oregon voters. The legislature paid no attention to the positions of Oregonians by passing the original transportation tax bill, which the governor postponed signing until it appeared that the voters had little or no chance to collect sufficient signatures of voters. The referendum should be on the November ballot.
