Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

Members of the Committee,

Please vote no on SB 1599. Over 250,000 Oregonians signed the petition to be able to vote on the transportation tax that was passed last year. We want to vote on it this November, not this May. Please stop changing the laws to pass what you want behind voter's backs. Voter turnout tends to be lower in May than in November and it's unfair to change when we're able to vote on this transportation tax. What you're doing feels like you're taking away our voice which will cause further distrust. Please listen to what Oregonians want and vote no on SB 1599.
