Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

Moving the vote on this important issue from the General Election to the Primary is an act of cowardice by those in the legislature who are trying to steamroll Oregonians into accepting what we have already loudly and clearly said "NO!" to. As a taxpaying Oregon, I want this issue to be voted on during the General Election.
