Obey the law. Keep the ballot issue in November. You represent the citizens of this State and not your financier's pockets. We don't need higher taxes, we need honest politicians and bureaucrats who spend our money when legally required (ADA sidewalks don't take 35 years to start) and to the best use for the community. Our infrastructure is awful. We have holes in our roads and the poorest internet in the nation. Our phone lines are in disrepair. All because we paid taxes that never went to the infrastructure we were promised. I vote NO because you will just steal the money again and nothing will improve.
