Measure, Appointment or SB1599  
Topic:

I adamantly oppose SB 1599 which has been unlawfully moved to an earlier date in an attempt to quell the voice of Oregon voters. As a legal American citizen and a small business owner in Oregon State, I find it absurd to pay higher taxes in order to fund Tina Kotek's pet projects that have no benefit to residence of this state. Our tax dollars are being squandered on illegal alien programs (housing, benefits and legal representation) and growing the Homeless Industrial Complex which is in fact an abyss of fraud and mismanagement. This is not the leadership that we deserve as Oregon taxpayers and must change course if we are ever going to make a better state to live in and raise a family. We need responsible and intelligent lawmakers who have the capacity to compose comprehensive plans that make sense and benefit each "legal citizen" of this state. In conclusion, please vote no on SB 1599 which bears no fruit in terms of benefiting taxpayers of Oregon State
