

Submitter:

T J

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB1598

This is a grotesque appropriation of individual Liberty and an affront to civic order amongst free people.

Did we not learn a lesson from the gross incompetence that plagued us during covid?

As someone who was uniquely harmed by such mandates previously, I'm firmly opposed to any/all attempts to consolidate power (especially amongst the uneducated initial crowd, eg: MAs, PhDs, etc... folks with more training than sense).
