Topic: SB1599
To Whom It May Concern:

The vote needs to stay on the regular slate for November 2026. The people of Oregon have spoken through their actions of signing the petition to have the vote in November 2026 to have a vote of their choice to raise or not raise more taxes. This is another ploy by Kotek to raise our taxes and divert the revenue to pay for her pet projects. If the taxes get any higher Oregon will see a mass exodus of taxpayers leaving the state. We as legal citizens should be able to vote at the general election time.
