Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

I firmly believe that moving the vote from the general election ballot to the primary election ballot disenfranchises voters and is against the spirit of the referendum. Now is not the time to play politics, now is the time to dig deep into the resources that we have and restructure the way we do business in this state to benefit the hard working tax payers. Anything less is just sideshows and games.
