2026-302

Measure, Appointment or Topic: SB1599

I am vehemently opposed to this bill as the petition that I, and 250,000 other people signed, specifically stated we were petitioning for the NOVEMBER BALLOT.

After 90+% of the public testimony stated opposition to the original bill, the legislature rammed through their version anyway. Now that 250,000 people have spoken up again, the legislature seems bound to try to ram through yet another distasteful bill to alter the will of the people for self serving reasons.

If this bill is pushed through in opposition to the petitioners wishes, the supporting legislators will be doing exactly what they claim the current President to be doing...acting as 'Kings' and authoritarians.
