Topic: SB1599

I strongly oppose the political games being played with tax payers. SB-1599 is another deceitful attempt to STEAL money from hard working Oregonians that have already voiced the fact that we do not support it. Every person pushing anything to do with this at this point is scum and working against the people that fill their pockets. Quit pushing your disgusting ideology and relentless money grabs. I strongly am against this and I would say most people I know would agree with every word of this. Do the right thing.
