Sponsors of SB-1599 seem deaf to the already spoken voice of Oregonians.

Petition was filed for transportation tax vote in General Election. For the Oregon State Legislature to now try a big power play to switch the tax bill vote to the primary would be an affront to the petition, to the petitioners, and to the intended fair government petition process.

Please don't poke the proverbial stick into the proverbial public eye - especially after the public has already spoken on this.

Please help us have respect for our Oregon state government.

Please vote no on SB-1599.
