Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic:

SB1599

I oppose moving the referendum petition to the May election. It should be kept on the November ballot because that is what was stated when we signed the petition. It is clear that Oregonians want to vote on this in November and the Legislation works for the people and represents them. Do the right thing and keep this on the November ballot.
