On Behalf Of: SB1599
Committee: Joint Special Committee On Referendum Petition

Measure, Appointment or
Topic: SB1599

I oppose SB1599 I oppose more taxes, I oppose this "secret" change to a petition, I signed, to be on a November not May ballot.

I dont feel it's fair some of the 250,000 that oppose and came out to sign this petition may not even know of this change is being done. That's not right! We are trying to trust the process here.

We are All just trying to feel heard here too!

Us Minorities (Independents and Republicans) took the time to sign this. At least the Democrats could do the same and leave our petition as signed for November. I dont feel it is right to change the wording on our Petition when it was accepted as is. I am repeating myself. :-)

So you have my "NO" vote on SB1599.

Im finding it hard to feel heard when the "majority" has ways of getting their way, anyway. I dont feel its right to do that to others. I know your jobs are hard. I hope I'm not sounding selfish.

I have just experienced alot of government process that makes me feel like I dont matter, or what I think doesn't matter.

But, WE ALL MATTER, SO I TRY AGAIN TODAY! :-) Its simple. This time. Please don't change our petition! Leave it as we signed it.

Thank you for hearing me,
Kristina Sherman
