Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or SB1599
Topic:

I strongly oppose SB 1599 and expect you to honor the November vote that Oregonians were promised.

We have had enough of the skullduggery! It has become obvious, that under Democratic leadership, the voices of everyday Oregonians matter less and less. What sets America apart from other nations is the ability of the people to participate in decision making. You are elected to represent us - and we are speaking loudly now. Please listen up.
