I OPPOSE SB1599.

We OPPOSED this tax last year during legislative session. We OPPOSED it during emergency session scheduled over Labor Day weekend when Tina was on vacation and anticipating We The People would not notice. We OPPOSED her delaying signing it into law to shorten our time to collect signatures for the referendum. We rose up and OPPOSED this tax increase and lack of accountability by collecting over 3x required signatures.

And now, we OPPOSE (again) the shenanigans to pulling it into May election rather than the November General Election.
