Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

A quarter million Oregonians signed a petition saying exactly what they wanted to vote upon and when they wanted that vote to happen. The will of the voters is being denied and tossed aside as politicians play political election date games. At every step of this near-year-long process of debating the gas tax, politicians have marginalized voters by limiting their input and involvement, SB 1599 is another example of dismissing voters.
