Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

Democrats stop meddling with and stealing elections so you can retain power. You have already done enough with your gerrymandering in this state and counting illegal aliens in the population for the apportionment of seats to always favor one party and make sure that one party retains power. The only reason the democrats have to move a referendum vote by WE THE PEOPLE is to protect Tina and all democrats on under her from their choice and forcing of very unpopular taxes. Stop the steal!! Vote NO on skewed elections. Vote NO on SB-1599.
