Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

The people, en masse, signed the petition demanding a vote on the gas tax for the NOVEMBER ballot, not the May primary. It is insulting to your constituents that you would try and change what we clearly have told you we wanted. I strongly oppose SB 1599 moving our vote to any time other than the November general election.
