Measure, Appointment or Topic:	SB1599

The transportation bill was clearly opposed by citizens as shown in polls. Special sessions were manipulated to force it through knowing the mood of voters. A quarter of a million voters said let's take a vote in November. Now, SB1599 is trying to change this clear message from petitioners.

Legislators, it is time to stop, look, and listen to your constituents. NO on SB1599.

Suggestion: prioritize transportation issues.
