

Submitter:	Edward Thompson
On Behalf Of:	The People of Oregon
Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

Read the Petition! It clearly states that the vote will appear on the November ballot. The petition is a contract between the voters who sign it and the governing body who will execute their wish to present the Referendum Petition as written.

Place the People of Oregon above Party! This attempt to move the date on the vote of this referendum cannot be disguised as anything but a move to advantage one party.

Given today's litigation propensity, avoid the guaranteed legal battle that will follow if this bill passed. Defending this bill in the affirmative by the State will cost Oregonians hundreds of thousands of dollars which could be used in so many better ways.

Please honor the process!
