Joint Special Committee - As one of the statewide referendum captains who voluntarily led seventy-four people in Wilsonville, OR to collect 2,864 signatures in under 30 days I must insist that you not pass this "emergency" bill. There isn't an emergency, there's a need for ODOT to reprioritize. If you pass bill SE 1599, the people of Oregon will not forget that our legislators eliminated our ability to prepare arguments for OUR ballot referendum. Busy Oregonians you serve took time out of their lives to collect 250,000 signatures out in the cold and rain. We need more time to prepare for our referendum to be adequately represented on the ballot in Nov. 2026. Do not pass this bill, vote NO on SB 1599. Thank you, - Kristi Corno
