

Submitter: Greg Miller

On Behalf Of:

Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

Transparency is imperative and this bill is designed to subvert an already designated day for the Voters approval or disapproval and completely politically motivated. The waste of time and resources to try to place this at a different time is criminal and shows the incompetence of the current administration in charge in Oregon. Give the people of Oregon , who by exceptionally large numbers turned out signatures to get this on the November ballot. The people are not being represented if this ballot question is moved, only political deception.
