Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

This should be voted on in November. The Governor and the super majority party pushed this through and they should have to defend it on a ballot with their names on it. Putting it on a special ballot in May disinfranchises independent voters who normally don't vote because of no affiliation for party primary..

Defend what you put forth in the November general election. Mike Christensen
