Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1598

Dear Senate Committee on Health Care,

I OPPOSE SB 1598 and recommend you do as well. The last 6 plus years has demonstrated the risk and abuse in granting broad powers to unelected health officials, providing opportunity for injection requirements, forced compliance, compelling insurance companies to pay for health services and overriding individual doctor's knowledge of their patients. In light of that, this bill's presence suggests malicious intent and severe conflicts of interest to the interest of every Oregonian.

In light of that - I OPPOSE SB 1598 and respectfully request you OPPOSE SB 1598 as well.

Thank you,

-Matt
