I oppose SB 1599 and strongly suggest that this matter be dealt with by Oregon voters AT THE PROPER TIME in NOVEMBER. This matter is seriously important to Oregon voters many of whom are on the edge financially already. My family lives in a mobile home park and the cost of living in Oregon has made it impossible for us to maintain our home, contractors are now so expensive and so are materials. We pay property taxes on our home and exorbitant rent that goes up every year! All our insurances have gone up. The cost of food has gone up. Also we are stuck here because of the housing market. If these various taxes go up any more, more and more people will leave Oregon and the state will be left with group of people stuck here to foot the tax bill but will not be able to do so. Many of us could loose our homes and become homeless. Then what? I STRONGLY OPPOSE SB 1599!
