

Submitter: Margaret Starrett  
On Behalf Of:  
Committee: Senate Committee On Health Care  
Measure, Appointment or Topic: SB1598

I am opposed to this bill. What happened to 'my body, my choice?' This is not about health, this is about control. If medical treatments are safe, then no one would object, but take one look at the vaccine inserts and know that everything comes with risk. Let the people decide, we don't need a nanny state mandating us to put poison in our bodies. Vote no!
