Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

The people of Oregon have spoken and we want our say on the November ballot where Oregonians of all political affiliation can have their say. This is our right and it's about time Oregon government started listening to the people of this state. I demand as petition states that this measure be on November 2026 ballot and not in May
