Topic: SB1599

I OPPOSE moving the vote on Senate Bill 1599 from the general election in November 2026 to the primary in May 2026.

The attempt to move this vote up from November to May is just another glaring example of Governor Kotek and the State Legislature trying to thwart the will of the people of Oregon who signed the referendum believing this vote would be in November.

Thank you for your attention to this matter.
