Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or
Topic: SB1599

Putting this measure on anything but the November ballot is political manipulation at its finest. Legislators that green-light a May vote have lost sight of democracy and putting Oregonian's above their own selfish wants. Oregon ranks close to last in public education, affordability, business-friendly and highest in homelessness, taxes, gas prices, cost to get into a home. This is the Democrats legacy in Oregon.
