I am a 100% disabled Vietnam Veteran ... with limited income!

I/We, as part of the population of Oregon, have spoken as 'loudly and distinctly' as possible with MANY signatures of agreement that this serious consideration is to be on the November 2026 ballot so you can better hear the people of Oregon that YOU are supposed to be serving.

Please SERVE THE PEOPLE PROPERLY and do NOT go against the people by seeking a way to change the date of this ballot-item.

It must be on the ballot for this November 2026!
