Committee: Joint Special Committee On Referendum Petition

Measure, Appointment or SB1599
Topic:

I do not want SB 1599 submitted in the Primary Election. The Petition I signed said specifically the General Election. This move by Democrats is to limit people's vote. It is not right to make this change when the petition clearly called for the General Election. This maneuver is pure manipulation of the voters voice. It's been sneaky from the beginning. Please listen to the voters and obey the process.

Respectfully,

Laura Fenstermacher
