Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1598

We strongly, I'd say vehemently, oppose the government in any form to make health decisions for its citizens at any time and for any reason. No. Not for the "greater good" and not because some can't make decisions for themselves. No. No. No. Oppose. Oppose. Oppose. And we the people do not have to make a strong case even as for why - conversing needs to be done. Just No. you have NO permission to do anything as described in SB1598.
