Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

I oppose the Democrats' tactic of moving the gas referendum tax to the May ballot. This tactic is intended to make people forget what Tina Kotek tried to force on them. We are being taxed to death in Oregon, and cannot afford a new tax! Let the people vote in November with it next to her name. We deserve to vote in November!
