Thank you for accepting my testimony. As a native Oregonian I find this bill to be disrespectful to all voters in Oregon as it is a blatant attempt to circumvent decades of historical precedent in order to move it to what is perceived as a low voter turnout date in order to get it passed. This is shameful and the sponsor of this bill should be reprimanded and counseled as to what it means to be a true Oregonian and have the peoples best interest at heart. If they are not an Oregonian then they should be respectfully sent back to the state they came from. Please do not advance this bill.  
Regards.
